## **ECO-UNIC** 095-WBE (0.995t x 3.5m) 295-WBE (2.90t x 1.4m)

CRANE SPECIFICATIONS

Introducing the latest in mini crane engineering, the UNIC battery powered Eco-095 and Eco-295 models lifting provide fume-free for sensitive environments.

Ideal for food processing plants, listed buildings, shopping centres, airports and clean environments, these unique mini cranes are powered by a rechargeable 48v battery yet retain all the lifting power of our standard models. Innovative features include low-marking wheels which enable the cranes to work on light-coloured or polished surfaces.

ADDITIONAL FEATURES	
Radio remote control	Full safe load indicator
