

Trolleys

Self-Locking Dolly [250kg]

Easily transport stone slabs, doors, plasterboard, GRC panels, sheet metal and more with our best selling heavy duty Self-Locking Trolley.

The Self-Locking Dolly can handle loads up to 250kg and with its rubber lined clamping jaws users can be safe in the knowledge that their loads are protected from scratches while moving around construction sites or workshops.

Heavy-duty pneumatic off-road tyres make sure that transporting loads over rough or smooth terrain is possible. With a clamping range of 0-60mm and weighing just 10kg this compact Self-Locking Dolly is a perfect addition to any toolbox or workshop.
